

# Withy Moor Weekly

## Weekly round up!

In our weekly assembly, we have been celebrating some of the brilliant events that have taken place this term including our Year 1 Reading Breakfast, Tudor Workshop, Reception Diwali Day, Therapy Dog visit and Poetry Competition, to name just a few from the last couple of weeks!

We also took time to reflect on our achievements and share what we are most proud of this term. Our assemblies have focused on aiming for excellence and being resilient learners, reminding us that *practice makes permanent!*

It was fantastic to listen to the children's proud moments, from a Year 6 pupil who has conquered long division, to a Year 5 pupil who has made huge progress in writing, and some of our younger pupils who are proud of learning more sounds!

It has also been amazing to see our prefects supporting younger pupils so brilliantly at lunchtimes. A huge well done to our Head Pupils for showing such maturity, kindness and helpfulness during Parents' Evening. You were wonderful ambassadors for our school in your first 'official' event!

I hope you all have a wonderful half term break, and we look forward to seeing you on Monday 3<sup>rd</sup> November refreshed and ready for next half term!

### Attendance matters

Well done to 4S!  
They are the class with the highest average attendance with 99% attendance over the two weeks, so they have had a choice of a film or games on the last day.

### Pupil spotlight!

We are incredibly proud to share that Betsy in Year 5 has been signed by Birmingham Football Club Academy!

This is an amazing opportunity and a wonderful recognition of Betsy's natural talent, dedication, and hard work. We are all so proud of her achievements and can't wait to see what she accomplishes next.

Well done, Betsy! We wish you all the very best on your exciting football journey! ❤️

### INSET reminder

A reminder that the school will be closed for a trust wide INSET on Friday 7<sup>th</sup> November.

### Autumn Week 8

Week ending 24.10.25

### Communication

If you have any queries, please speak to your child's class teacher as the first point of contact. If you require further clarification or have further questions, please contact the key stage phase leader.
