

Weekly round up!

I have been showing several prospective parents around the last couple of weeks and have been so impressed and proud of our children who were well behaved and engaged in their lessons, really showcasing the brilliant learning that takes place every day. I also talked to parents about our plans to improve the school site.

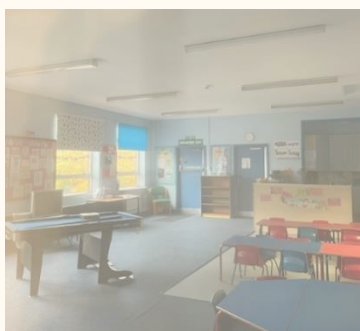

We are very lucky to have such a large site, but it is an old building which comes with a few challenges! We've got some major projects on our to do list, including new carpets, lighting, fencing, toilets, windows, and boiler (to name a few!) which will take some time (and funds!) to complete.

In the meantime, we're busy making lots of smaller changes that are already making a big difference. We've been clearing out old equipment, refreshing classrooms, and making sure every space will feel welcoming and child friendly. A new sensory area is also taking shape in Key Stage 1 and we can't wait to see it finished!

We will share some before and after pictures over the next term!

Have a great week!

Mrs Smith

Community room

We have an upstairs room with a separate entrance that would be suitable during the day for any community groups. If you would like to discuss hiring the room, please contact the school office 01902 818530.

Learning together, aiming for excellence!

Attendance matters

We're delighted to share some fantastic news from the recently released **DfE Summer 2025 Attendance Report**. The report highlights clear improvements in our school's attendance compared to the previous year.

Good attendance doesn't happen by accident; it comes from the daily routines, encouragement, and partnership between home and school. We want to thank every parent and carer for supporting your child to attend regularly and on time.

Let's keep up the momentum and continue working together to make sure every child benefits fully from everything school has to offer.

Thank you once again for your ongoing support Together, we're making a real difference!

Class Attendance %

1H	97.2
1CD	94.9
2R	94.3
2M	94.4
3W	94.3
3H	96.3
4O	94.2
4S	96.1
5K	92.5
5F	94.2
6H	96.8
6W	94.8
Ducklings	97.1
Hedgehogs	90.8

Transition Pulse Survey

Thank you to everyone who has completed the early years survey. It has shown that overall, responses show a strong picture of successful transition into Nursery and Reception. Majority of parents report that their children are well prepared, well supported, and happy in their new settings. Individual positive comments highlight staffs' commitment and care, and we have shared these with staff. We will continue to refine communication consistency across year groups and will take further feedback mid-year.

Well done to our class attendance winners this week

Autumn Week 4

Week ending 26.09.25

Communication

If you have any queries, please speak to your child's class teacher as the first point of contact. If you require further clarification or have further questions, please contact the key stage phase leader.

EYFS/KS1- Mrs. Dulson

KS2 – Miss. Hampson

Mrs. Barrett is our SENCo and Mrs. Tong is our safeguarding lead.
