

# Withymoor Weekly

## Weekly round up!

Over the past term, we have continued to strengthen our partnership with families by offering more opportunities for parents and carers to connect with us. This has included Pulse surveys, additional parent workshops/meetings, and a focus groups centred on our Collective Accountability Statement.

Our **Collective Accountability Statement** sets out the shared responsibilities of staff, parents, carers, and pupils in working together to provide a positive, safe, and ambitious learning environment. It emphasises working as a united community to support every child. Parents responded very positively to the session, expressing appreciation for the clarity of the statement and for being invited into genuine, two-way conversations. It was encouraging to hear how much families value what we as a school are working towards and some ways to make it even better.

Mrs Barrett hosted our first **SEND Coffee Morning** last week. It was a relaxed and informal opportunity for parents to meet, ask questions, and share experiences. The event was very successful, and it was wonderful to welcome families into school. We look forward to continuing these informal gatherings throughout the year.

I would also like to remind families of our upcoming SEND Review meetings which are now planned for:

*EYFS & KS1: 3rd December*

*KS2: 10th December*

These meetings provide an important opportunity to review progress with your child's class teacher, and ensure we are working together effectively.

We are committed to continuing this positive journey with our families. Thank you to everyone who has taken part in meetings, discussions, and events so far-your voice makes a difference.

We look forward to building on this strong partnership as the year continues.

## Attendance matters

Now showing...a new display in the hall to showcase our amazing attendance!

We aim for all classes to have 97%+ attendance and each week we will spotlight the highest attending class who will have 10 minutes extra playtime that week.

## Communication

If you have any queries, please speak to your child's class teacher as the first point of contact. If you require further clarification or have additional questions, please contact the key stage phase leader.

EYFS/KS1 – Mrs. Dulson

KS2 – Miss Hampson

Mrs. Barrett is our SENCo, and Mrs. Tong is our Safeguarding Lead.

Where possible, staff will arrange an appointment at a mutually convenient time to discuss any concerns.

### Parent Communication and Email Response Times

We aim to maintain open and supportive communication between home and school. Staff will endeavour to **acknowledge receipt** of an email or phone call within 48 working hours. If the matter requires further investigation or input from other colleagues, we will let you know that your concern has been received and is being looked into, with a **more detailed response** provided within a reasonable timescale.
