

Withy Moor Weekly

Weekly round up!

It has been another fantastic week of learning, and the children have worked incredibly hard across all areas of the curriculum. They have shown enthusiasm, and resilience and it has been a pleasure to see their progress throughout the week. We have had a focus on our writing this term on editing and improving our work, as well as understanding our next steps to make our writing even better.

We hope you have enjoyed seeing the weekly updates from your class teacher, along with the wider curricular news being shared. Thank you for your continued support in celebrating the children's learning both in school and at home.

Competitions!

Well done for all the children taking part in the advent reading challenge. Pupils who took part all had a certificate and prizes for their advents. See class dojo for pupils receiving their certificates.

It also gives me great pleasure to announce we won the TTRS battle against Priory! It was an amazing effort from everyone involved, with 6W being the class with the most points overall. Well done to our top 3 pupils for the highest scores! Pupils will have their certificates and prizes this week.

1	 Wajahat Iqbal	36,669
2	 Angeleyez Kanyoka	31,397
3	 Archie Silver	7,422

Have a great week! Mrs Smith

Praise assemblies

This term, praise assemblies will continue to be held on Fridays at alternate weeks for EYFS/KS1 and KS2. Please note KS2 assembly will be at 9am and EYFS/KS1 will be at 2:45pm. The differing times means that pupils will be doing a weekly 'Phase or Praise' assembly which gives us an additional collective time to focus on school values, British Values, safeguarding and national events. If your child has been chosen for star of the week, you will receive an invitation to join us to celebrate them in the assembly!

Our whole school assembly will continue to be on Tuesdays. Our theme this term is 'Belonging'.

Learning together, aiming for excellence!

Attendance matters

Well done to 3H for having the highest attendance last with 99%. They have received the weekly trophy and will have their ten minutes extra playtime this week as their reward!

Parking

The police and community officers have been patrolling schools in the local areas. They will be at Withymoore this week. You will also notice our signs are being used opposite the school as we have had several complaints regarding dangerous parking and mounting on the pavements on this corner.

For the safety of all our children, families and staff, we ask that you:

- Do not park on yellow lines or in restricted areas
- Do not mount pavements or block pedestrian access
- Park considerately and legally, even if it means walking a little further
- Follow all road markings and local traffic regulations

Children may behave unpredictably near roads, and clear pavements and sightlines are essential to keep them safe.

If you witness anyone parking or driving dangerously, please report this to the local council so that appropriate action can be taken.
