

How to access home learning activities using the ClassDojo App

You will need to log in using the code school sent to access each individual child's profile. If you are unsure of this please message your child's class teacher and they can email it across to you. Activities will not appear on the parent/carerer profile.

Once you have signed into your child account using the app, it should appear like this..

Worksheet
05.01.21 - English

This week we have chosen a new book called 'The Night Pirates'. I have attached a link so you can listen to the story but before that I would like you to predict what you think the story may be about using just the front cover to help you.

Things to consider:
Is it a story? An information book? How do we know? What do you think will happen?

Remember to write in full sentences and use 'because' to explain your answer.

[Book Cover: NIGHT PIRATES]

Start worksheet

You should find the activities that have been set here. Click onto this.

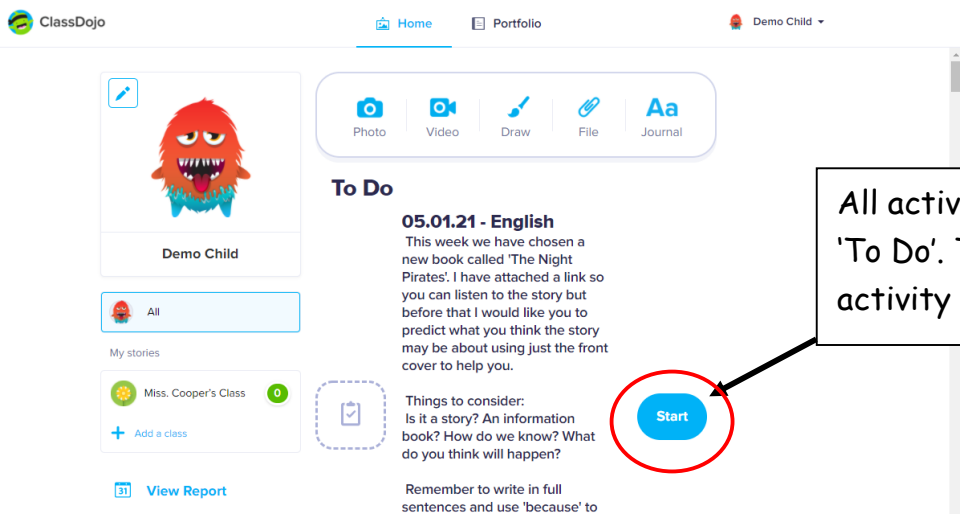

This screen will then appear showing all the activities that have been set for your child. Click onto each one to find out more details.

Click onto 'Start worksheet'.

How to access home learning using a computer or laptop

You will need to log in using the code school sent to access each individual child's profile. If you are unsure of this please message your child's class teacher and they can email it across to you. Activities will not appear on the parent/carerer profile.

When you have logged into the account, this screen should appear...

The screenshot shows the ClassDojo interface for a user named 'Demo Child'. At the top, there are navigation links for 'Home' and 'Portfolio', and the user's name 'Demo Child'. Below this, there are icons for 'Photo', 'Video', 'Draw', 'File', and 'Journal'. The main content area is titled 'To Do' and features an activity for '05.01.21 - English'. The activity text reads: 'This week we have chosen a new book called 'The Night Pirates'. I have attached a link so you can listen to the story but before that I would like you to predict what you think the story may be about using just the front cover to help you.' Below the text, there is a 'Start' button circled in red. A callout box points to this button with the text: 'All activities will be shown as 'To Do'. To complete the activity click 'Start'.'

The screenshot shows the activity page for '05.01.21 - English'. At the top, there are buttons for 'Close', 'Save', and 'Delete'. The activity text is repeated: 'This week we have chosen a new book called 'The Night Pirates'. I have attached a link so you can listen to the story but before that I would like you to predict what you think the story may be about using just the front cover to help you.' Below the text, there is a 'Hand in' button circled in red. A callout box points to this button with the text: 'Once you have finished click 'Hand in''. On the left side of the page, there is a vertical toolbar with various icons. The 'T' icon, representing text input, is circled in red. A callout box points to this icon with the text: 'You can type directly onto the activity by clicking the 'T'.'

If you would prefer to print off the activities and complete them, you can upload them as a photo. Please follow the 'uploading a photo' guide to help you with this.
