

Weekly round up!

A huge well done to our Year 6 pupils for the determination, resilience, and hard work they showed during SATs last week. We are incredibly proud of the positive attitude and maturity they demonstrated throughout the week.

To celebrate the end of SATs, the children enjoyed a well-deserved afternoon of Rounders, a movie, and pizza! A big thank you to FOW for kindly funding the pizza treat - it was greatly appreciated by all!

Next week, Year 6 are looking forward to taking part in 'Careers Week'. During the week, pupils will explore a range of different occupations, reflect on their own skills and qualities, and consider how these will support them as they move on to the next stage of their education and future careers.

At Withymoor, we encourage all our children to have high aspirations and be the best they can be!

Communication

If you have a query or concern, please speak to your child's class teacher in the first instance. They are the person best placed to speak with about your child. If you feel that your concern has not been resolved, please contact:

- Miss Slater (Early Years Lead) for any concerns relating to Reception or Nursery
- Mrs Barrett (Assistant Headteacher/SENCo) for any KS1 or SEND queries
- Mrs Tong (Designated Safeguarding Lead/Deputy) for any KS2 or safeguarding queries

In some cases, staff may need time to investigate the matter fully and will let you know when they are able to respond. Should you feel that your concerns still have not been addressed, please contact Mrs Smith (Head of School).

We value positive communication between home and school and appreciate your support in working together to achieve the best outcomes for all children.

Learning together, aiming for excellence!

attendance matters

Good attendance is essential for children to achieve their full potential and make the most of every learning opportunity. Every school day counts, and regular attendance helps children to build confidence, develop friendships, and maintain progress across all areas of the curriculum.

We would like to thank parents and carers for their continued support in ensuring that children arrive at school on time and ready to learn each day. Together, we can help every child develop positive habits that will support them throughout their education and beyond.

Please remember to contact the school office if your child is absent, and wherever possible, medical appointments should be arranged outside of school hours.

Understanding children's behaviour

Free local workshops in Dudley

Come along and:

- Understand feelings and needs behind children's behaviour
- Discover the importance of listening to children, and how it can support meeting their needs
- Explore responding with empathy, and how it can positively influence children's behaviour
