

Weekly round up!

Celebrating Our Learners

A huge well done to all our Year 1 pupils who completed their Phonics Screening Check this week and to our Year 4 pupils who completed their Multiplication Tables Check.

The children have worked incredibly hard throughout the year, practising their phonics and times tables each half term. Thanks to their commitment, perseverance and positive attitude, they approached their assessments with confidence and did their very best. We are extremely proud of every child and the effort they have shown in preparing for these important milestones.

We would also like to thank our parents and carers for their continued support at home, which plays such an important role in helping our children succeed.

World Cup Fever!

This week, we kicked off our exciting World Cup celebrations by assigning each class a World Cup country to represent.

Over the coming weeks, pupils will have the opportunity to learn more about the countries they have been allocated, exploring different cultures, traditions, languages, landmarks and ways of life from around the world. This is a fantastic opportunity to broaden children's understanding of the wider world while celebrating the spirit of international sport.

We are looking forward to seeing the enthusiasm, creativity and teamwork that our pupils will bring as they learn about and support their chosen countries. We can't wait to share some of their learning and achievements with you in the coming weeks!

Good luck to all of our World Cup teams!

Have a great week!

Learning together, aiming for excellence!

Supporting Our Families

This term, we have been delighted to offer a range of parent workshops designed to support families and strengthen our partnership with parents and carers.

We were particularly pleased to welcome Henry from Phase Trust, who shared valuable insights into behaviour in the early years and provided practical strategies to support children both at home and at school.

We look forward to welcoming parents and carers to our remaining workshops:

Tuesday 16th June – Helping Our Children with Their Mental Health and Anxieties

Tuesday 23rd June – Looking After Ourselves as Parents: The Importance of Self-Care

Tuesday 30th June – Understanding the Digital World Our Children Are Growing Up In

Tuesday 7th July – Helping Our Children Handle Grief and Bereavement

These sessions provide a fantastic opportunity to learn, share experiences and gain practical advice to support your child's wellbeing. We hope to see many of you there.

Summer Fayre

A huge thank you to the Friends of Withymoor for organising and sorting the donations received from our recent mufti day. Their time, effort and support are greatly appreciated and help make many wonderful opportunities possible for our children.

Next week, we will be holding another Mufti Day and are kindly asking for donations of summer themed items for our upcoming events. We would be grateful for donations such as skipping ropes, bubbles and buckets etc.

Thank you, as always, for your continued support of the school and the Friends of Withymoor.

Well done to our class
